ABOUT NC MINING SUPPLIES

NC Mining Supplies is a proudly South African, Black-owned electrical wholesaler and industrial supplier strategically based in Kuruman, Northern Cape—the heart of South Africa's mining industry. Since our establishment, we have built a reputation for supplying premium electrical products, industrial equipment, and technical solutions to mining operations, contractors, municipalities, industrial businesses, and commercial clients.

Our commitment extends beyond supplying products. We provide dependable service, expert technical support, and cost-effective procurement solutions that enable our customers to operate safely, efficiently, and productively.

By partnering with internationally recognised manufacturers and leading South African brands, NC Mining Supplies delivers reliable products that meet the demanding requirements of modern mining and industrial environments.
